## TORONTO FORUM ON CUBA

\*(A member of the Latin American and Caribbean Solidarity Network / Miembro de la Red de Solidaridad Latinoamericana y del Caribe)

Toronto Forum on Cuba continues to strongly encourage its readers to read [Fidel Castro's Reflections](#) on Libya, specifically the Reflection entitled “[NATO's Fascist War](#)”.

### OPEN LETTER

#### The bombs of democracy to liberate the few and enslave the majority

The Latin American and Caribbean Solidarity Network (LACSN) condemns UNSC resolution 1973 which has enabled operations to impose a no-fly zone over Libya. This military operation imposed a foreign military solution to the conflict within Libya; that far from protecting the civilian population creates the conditions for further intervention and looting of the nation's Oil resources

We support and call for:

- 1.- End Canada's participation in the war against Libya
- 2.- Libya's unity and territorial integrity to be respected and reject any form of foreign military intervention
- 3.- Support the Libyan people's inalienable right for self-determination
