# Fidel, Cuban 5, Palestine, Peoples Social Forum

Fidel Castro Ruz, the historical leader of the Cuban revolution, not only led the Cuban revolutionary youth to topple the U.S.-imposed puppet regime of dictator Fulgencio Batista but has unified the immense majority of the Cuban nation in the Battle of Ideas which is the materialization of Jose Marti's "Homeland is Humanity" (Patria es Humanidad).

And that is why the anti-terrorist Cuban Five political prisoners of the U.S. have heroically withstood the blows of the dungeons of the prison regime imposed on them by the U.S. government since Sept. 12, 1998, thereby inspiring us all to fight for the dignity of human beings all across the globe first and foremost, these days, in solidarity with the Palestinian people in their quest for justice and a life without the impositions of the Israeli Apartheid regime.

The Cuban Five, in their youth, fought against the South African apartheid regime, along with hundreds of thousands of Cuban internationalist volunteers and millions of Africans, ready to shed their own blood

for the liberation of Africa from that scourge; and today they call for solidarity with the plight of Palestinians against the genocidal attacks carried out by Israel against Palestinians in Gaza!

Toronto Forum on Cuba is going to the Peoples Social Forum in Ottawa and on Saturday Aug. 23rd, we will be presenting two workshops on their case. Join us to help continue building the movement necessary to bring them home to their loved ones (for more info please [CLICK HERE](http://www.peoplesocialforum.org/home/) (<http://www.peoplesocialforum.org/home/>))

We celebrate Fidel's birthday with the conviction that "Another world is possible". Take care and have a nice day.

Brotherly,

Morteza Gorgzadeh

Coordinator for the X Int'l Colloquium for the Freedom of the Cuban Five and Against Terrorism
