**ALFONSO LLORENS**, the Vice President of UNEAC (National Union of Writers and Artists of Cuba) in the province of Matanzas, would like to establish a bridge of cooperation and cultural exchange with us here in Canada. He could deliver lectures on matters of culture in Cuba and, as a master composer/musician, he would also entertain us with his talent.

Toronto Forum on Cuba would appreciate your support of providing an invitation letter from your organizations. [CLICK HERE](#) for additional information on Alfonso Llorens and, once again, we appreciate all of your assistance in making his cultural tour a reality.
