On July 26th, 1953 a group of brave young Cubans, led by Fidel Castro, attacked the Moncada and the Carlos Manuel de Céspedes garrisons, symbols of the tyranny and occupation of Cuba under the U.S. puppet regime of Batista.

Although the attack was militarily defeated, it raised the banner of struggle, which would lead to the victory of the Cuban Revolution on Jan. 1st 1959.

This year we cheer the return of the Cuban Five to their families and their homeland and we dedicate this year's celebration to the selfless Cuban internationalist healthcare workers who courageously volunteered to battle the Ebola virus in Western Africa and the Cuban internationalist education workers whose hard work and dedication have taught more than eight million people throughout the world, how to read and write.
